There it is

That bitter calm

It's what she says

I'm in her palm

So there it is

The bitter truth

What can I say?

What can I do?

Here I am

I don't want to hide

I'm sorry for what

I may have implied

There it is

There are the rules

I don't want to play

Some sort of fool

So there it is

You're not the only one obsessed

To have your favor

I've truly been blessed

To a girl. I'm sorry if I'm mistaken...
